PECAN DALE FARM

U. S. D. of Agri..  
M.....

Denison, Texas,.....

Jan. 20 1934

On account of a combination of circumstances we will be unable to cut and store pecan scions this season, except on advance orders.

Prices will be unchanged: \$2.50 per hundred, \$20.00 per thousand. This is as low as is consistent with our work in selecting and gathering them from our large bearing trees and our care in every way to insure their identity and quality.

Hoping you can figure your needs in advance and let us have your order before cutting time (not later than February 15th) I am,

Sincerely yours,

Pecan Dale Farm

(Mrs.) JOHN KEMPER.

We have not issued  
new price list or other literature  
of any kind in the last two years.
